How we help:

Facing challenges or in need of support? The Meadows Center community social worker and staff are here to help! We offer support and guidance for adults in our community. Get connected to resources, navigate complex systems, or develop a personalized plan to reach your goals. We can offer assistance with finances, benefits, housing, and mental health, and collaborate with other professionals to ensure you receive the comprehensive support you need. Let us empower you – stop by or call today!
